

Basketball – Boys & Girls

Basketball is the only activity offered at Our Lady of Grace for the winter sports season. Registration for all teams is held during the month of September. Teams are organized and schedules drawn in October.

Practices begin the first week of November and are held in the OLG gymnasium. Each team will practice two times per week, with any one practice starting as early as 7:15 am and as late as 8:30 pm during the week.

Fifth and sixth grade teams will have both their practices during the week and play their games on Saturday mornings or early afternoons.

Seventh and eighth grade teams will have one practice during the week and one practice on the weekend and play their games on Tuesday and/or Thursday after school. Weekend practices are between 1:00 pm and 5:00 pm.

All teams will participate in a season ending tournament that begins the end of February and runs into the second week of March. All tournament games are held at various schools and are played Monday through Thursday.
