

Dear New OLG Families,

We welcome and encourage volunteers in school. OLG has numerous volunteer opportunities available. Before you are allowed to volunteer with the kids, however, there is a class and some paperwork that need to be completed. Archdiocesan policy requires background checks, Virtus training, and a signed Archdiocesan Volunteer Code of Conduct for all volunteers at Our Lady of Grace Catholic School.

For a full description of the program, please visit the Virtus website:

http://virtusonline.org/virtus/virtus_description.cfm. Volunteers must register on-line. Neither the school nor the parish can take registrations.

To find locations of upcoming training sessions or to register go to www.virtusonline.org:

- Left hand side of screen, select "registration"
- Next screen, select "View a list of sessions"
- Next screen, "select your organization", use drop down arrow to find "St. Paul and Minneapolis MN Archdiocese" - SELECT
- Next screen is a listing, by date, of sessions in the Twin Cities area. Once you have found the class you want, then go back to the top of the page and select the "registration" button

Thank you!
